4 Supporting Compliance Documentation

The following documentation is held on file for the wooden ice cream spoon range and is available to trade customers on request.

- **BRCGS certification.** The manufacturing site is certificated to the BRCGS Global Standard for Packaging Materials, Issue 7, at Grade A, for disposable wooden tableware and ice cream items for food-contact use.
- **FSC® Chain of Custody.** Chain-of-custody certification covering applicable wood product groups, including wooden tableware. Product is supplied as FSC-certified only where the FSC declaration is stated on the sales or delivery documents.
- **Food-contact safety testing.** Independent accredited-laboratory testing returns a pass for sensory examination (odour & taste), pentachlorophenol (PCP) to U.S. FDA 21 CFR 178.3800, and — under EC 1935/2004 and German LFGB — arsenic and the specific migration of formaldehyde and phthalates.
- **Phytosanitary certificate.** Official certification for imported consignments, certifying the goods are free from quarantine pests on entry to the UK.
- **Allergen declaration.** Confirms the spoons are made from compliant wood, free from common allergens (such as nuts, pollen and latex), with no sensitising coatings or additives.

5 Warnings

- Wooden ice cream spoons are intended for single-use food service.
- Children should always be supervised when using wooden cutlery.
- Natural wood may vary slightly in shade, grain and finish and could occasionally have a splinter.
