

# Food Allergen Status Statement

**Manufacturer's declaration** · Issued by Yolli Ltd in respect of products manufactured within its production environment, setting out the status of the fourteen allergens declarable under UK and EU food law.

DOC. NO.	YOL-ALG-001
REVISION	1
ISSUED	June 2026

## 1 Declaration

**Yolli does not intentionally use, store, handle or process any of the fourteen declarable allergens** as ingredients or production materials within the manufacturing/production environment.

Food is not permitted in production areas. Staff welfare food is restricted to the separate canteen area and is not used in, stored in, or brought into production. Based on our current raw materials, processes and site controls, products manufactured on site are not expected to contain any of the fourteen declarable allergens.
