## 5 Supporting Compliance Documentation

- Supplier documentation is held on file for STYRON A-TECH 1200 polystyrene covering EU food-contact status information under Regulation (EC) No 1935/2004 and Regulation (EU) No 10/2011, subject to finished article compliance and application-specific testing.
- Supplier documentation states the unmodified resin complies with U.S. FDA 21 CFR 177.1640 for food-contact applications when used under good manufacturing practice.
- Migration testing on Yolli white plastic lollipop sticks is held on file and records a pass against the requested tests under Commission Regulation 10/2011/EU as amended.
- Additional supporting statements are held on file for allergens, REACH SVHC, RoHS, POPs and conflict minerals for the resin.

## 6 Warnings

- Lollipop sticks are a potential choking hazard and are not suitable for children under 3 years of age.
- Children under 5 years should be always supervised when using lollipop sticks.
- Not suitable for oven use.

**Note:** This specification has been compiled from Yolli's existing product sheets and supporting supplier documentation supplied for the resin and finished product testing. Customer-specific statements can be issued where required.
