1 Product Overview

- Yolli zip lock stand up pouches are a versatile packaging solution for confectionery, snacks and food storage. They are manufactured from clear, food-grade film that helps keep products fresh, secure and shelf-ready.
- Each pouch combines a strong resealable zip lock with heat-seal compatibility, so it suits both everyday resealable use and tamper-evident retail packing. A flat base lets the pouch stand upright for display.
- Supplied as retail packs of 50 or bulk boxes of 1,500. Custom sizes, pack formats and quantities are available to order.

2 Key Features

- **Resealable zip lock** — opens and recloses repeatedly to keep contents fresh.
- **Heat-seal compatible** — for tamper-evident packaging on any standard sealer.
- **Clear film** — attractive product visibility for retail display.
- **Tear notch** — for quick, easy opening.
- **Stand-up flat base** — the pouch stands upright on shelf.
- **Food-grade** — suitable for direct food contact.

4 Size, Capacity & Pack Options

Held in UK stock and available for same-day dispatch. Supplied either as a retail pack of 50 or as a bulk box of 1,500.

Pack	Quantity	Dimensions	Capacity
Retail pack (code RZLP001)	50 pouches	155 × 230 mm	~750 ml
Bulk box	1,500 pouches	155 × 230 mm	~750 ml

Note: The first dimension is the pouch width; the second is the height. Retail packs of 50 suit small businesses, home bakers and craft packaging; bulk boxes of 1,500 are the best-value option for trade buyers, manufacturers and wholesalers.

5 Typical Applications

- Confectionery — sweets, fudge, chocolates & biscuits
- Snacks — nuts, dried fruit, granola & snack mixes
- Protein powders, pet treats & loose tea
- Bakery & food-service portion packing
- Craft — beads, sequins & craft supplies
- General food-safe storage & small hardware

6 Custom & Bespoke Supply

Custom sizes, pack formats and quantities are available to order. Branded printing can be applied to the pouch with logos, ingredients and barcodes. Custom production is subject to minimum order quantities and lead times, confirmed at the time of enquiry.

7 Supporting Compliance Documentation

The following documentation is held on file for the zip lock pouches and is available to trade customers on request.

- **Food-grade material declaration.** Confirms the raw materials used to make the pouches are food grade and are handled under food-grade good manufacturing practice, and that the finished pouches are suitable for food-product packaging.
- **Allergen-free declaration.** Confirms the materials used to manufacture the pouches are allergen free — none of the declarable food allergens are present.
- **Letter of guarantee.** Confirms the finished pouches are safe and suitable for the packaging of food products and meet the required standards.
- **ISO 22000:2018 (Food Safety Management System).** The manufacturing site holds accredited ISO 22000:2018 certification for the production of flexible packaging including laminated pouches; current and valid through April 2026.
- **Yolli Food Allergen Status Statement.** Yolli's own allergen status statement for the product, available to download from the product page.

Note: Certificates are issued by the manufacturer and by Yolli. Current copies can be supplied to trade customers on request for due-diligence files.

8 Warnings

- Plastic bags can present a suffocation hazard. Keep away from babies and children.
- Not suitable for oven, microwave or boil-in-bag use unless separately confirmed for the finished application.
